Michelle,

I wanted to thank you for the extraordinary job you did for our families as Golden Eagle Wedding Reception Venue Coordinator and Wedding Planner. The location was absolutely beautiful, the reception events and set up ran so smoothly and was a heartwarming and fun celebration for family and friends. Most of all, the bride, Emily, had the utmost confidence and peace of mind you instilled in her so that she could truly enjoy her day as bride. You kept everything running smoothly and let us celebrate a wonderful occasion as though Emily and Justin Reker were royalty!

I appreciate your professionalism, hard work, and expert organizational skills in handling all aspects of the Wiwi-Reker wedding from keeping us informed in the planning stages, to directing the rehearsal, then setting up the banquet, decorations, and coordinating the florists, photographers, DJ, and guests as they arrived. Not to mention the fact of actually lacing Emily into her wedding gown, and later serving Emily and Justin their meal!

The wedding was magical and a memorable event for all of us and we will happily recount our experience with Golden Eagle Country Club and your expertise as wedding coordinator.

Thank you so much!

Sincerely,

Lynn Wiwi

Thank you!

Hello Mrs. Griggs,

Once again you have made our event a memorable one due to your involvement. From my heart to yours along with sincere gratitude from FAMU/FSU HERO, we can truly say everything went smoothly as in previous years and we have you and the staff of Golden Eagle to thank. Due to your willingness to help in every capacity and meeting with the DJ, all of your involvement loan to the success of this event.

It is my hope that this event will continue to be a blessing to the various benefactors both here in Tallahassee and abroad. Again, we thank you for your efforts and I hope you are having a wonderful time on your well deserved vacation. Have a great weekend.

Warm Regards,

Shanalee S. Gallimore, M.Sc.

(HERO Gala, February 2, 2013)

Dear Michelle,

Thank you so very much for coordinating a perfect wedding and reception last weekend for Jan & Stu. Your organization skills certainly shined, and we were very pleased with the food, service and the bar at Golden Eagle County Club. Hiring you to be our coordinator was one of the best decisions we made throughout the journey of planning a wedding for our daughter.

You set our tables perfectly and offered so much more support than we realized we needed. Golden Eagle was the perfect setting for both the wedding and the reception.

The bride and groom, and both sets of parents all know we collectively hosted a perfect event. We have heard nothing but praise from our family and friend who had such a good time. All the pictures show huge smiles on everyone.

Hope we cleaned up well enough on Sunday - if we forgot anything, just let us know.

Regards- Jim & Maggie

Michelle,

Thank you so much for the extraordinary job you did for Ashley and John's wedding and reception. Your patience, your expertise, your hard work and your optimism (especially about the weather ☺) was so appreciated.

Having grown up in a family who catered and coordinated such events, we have a full appreciation of the hard work, the behind the scenes activity, the planning and the attention to detail needed to have a perfect outcome – and perfect ours was.

Than you for making everything so easy and for making the day so special. No regrets and we would highly recommend and strongly encourage all brides (and their parents) to call “Michelle” if they want a wedding/reception done with class and perfection!

You were great to work with!

Many thanks,
Diane & Mike

(Parents of the Bride, James-Apthorp Wedding Ceremony & Reception, January 19, 2013)

Hello Michelle, I meant to communicate with you on Sunday. Our visit with you on Saturday was perfect in every way – it just couldn't have been nicer. And, you are so wonderful to work with!! As we will be returning in May – on the 11th I believe – I wanted to mention one thing. Golden Eagle is so generous with the portions of the meals. The peachy chicken was probably enough for two people and I even had trouble finishing all my wonderful quiche!

Sherrie

Greetings Michelle,

Will and I both want to thank you SO MUCH for the absolutely wonderful wedding reception last weekend 12/8/12. Everything exceeded our expectations and then some! We heard numerous complements regarding the location, décor, and lights (everyone's favorite!) It was truly something special that friends and family traveled both near and far to see.

You were such a blessing and so helpful with everything, and we truly thank you!

We will gladly recommend you to other future wedding couples!

Thank you and we hope you have a fantastic Holiday Season!

Love,

Michelle,

Thank you so much for hosting the French Legion of Honor Award Ceremony for our Dad, Lt. Col. Terrell E. Yon (Ret.). The view (you must have a good greens keeper) was great, the setup and decorations were perfect, the meal was served on time and we have had many, many comments on how good the food was. It turned out very special. Thanks for a job well done! The French Dignitaries were also impressed!

Mario & Maureen Riviuccio

Michelle,

We had a terrific time. The food, as usual, was outstanding!! What a joy it has been to be a guest at Golden Eagle for all three of our Bridesmaids' Luncheons. The staff has been most accommodating each time and you have been an absolute delight for each of them. I do the planning for twelve or thirteen events here in New Orleans each year and I want you to know that none of them ever go as smoothly as the three that I have done with you at Golden Eagle. Not once have I felt that I need to come early to look things over to do a menu tasting. Each time, everything has been a joy.

Many, many thanks for your great service and your kindness. I do hope that maybe one more occasion will present itself so that I can enjoy Golden Eagle and your hospitality.

Sincerely,
Bobbie Whiddon

Dear Bruce,
I cannot thank you enough for the superb work done by Matthew and Michelle. We had 70 people for our holiday party on Sunday. Michelle planned everything beautifully, to the tiniest detail. It was perfect. Matthew not only saw that everything was in place, but also was constantly vigilant, assisting others who came to the Plantation Room by mistake to find their location, checking and re-checking throughout the entire 3 hours.

Chef DiBella was at his magnificent best. The food was beyond excellent, and my guests could not stop talking about it. It is to your credit that Golden Eagle has the finest professional staff we have ever encountered anywhere, and we thank you so much. I would greatly appreciate your sharing my sentiments with them

Michelle,

Thank you for your thoughtfulness and your attention to everything that made the luncheon a great success. I wish you had heard all the compliments about the food, the service and the appointments of the room. And what a delight to have the piano playing carols when we arrived! Of special note was the attention of the two servers who kept the food hot for the musicians until they had finished singing. Whenever anything was needed, they were right there to provide it.

Again, thank you, Golden Eagle Country Club and the staff for making our Christmas luncheon so enjoyable.

Michelle,

The banquet was wonderful, as always! We ended up having some extra people show up (players that I couldn't say no to for their sports banquet) and your staff was absolutely wonderful! They worked with the increase in number by putting up 2 more tables, fully set with place settings, etc and the chef accommodated us in adding more rolls, lasagna, etc. They are to be commended in their professionalism and timeliness in making the transition seem flawless to the banquet attendees. Please tell them how much I (we) appreciate them!

Thanks again and I'm sure I will be booking more banquets for next year!

Dear Golden Eagle,

We held our daughter's wedding and reception at Golden Eagle Country Club in mid February. We just wanted to let someone know what a wonderful experience it was. We held our breath for nice weather so that we could have the wedding ceremony outside at your new pergola. The weather was quite cooperative and it was a beautiful wedding. Having the pergola with all the nature surrounding it made decorations minimal. We used both the Magnolia Room and the Plantation Room for our reception. They were exquisite! We had a dance floor, a DJ, hors d'oeuvres tables and almost 130 guests but it never felt crowded. With a group that size, you expect "banquet" food. Our meal was anything but that. Everything was piping hot when it was served and it all was served in a very timely manner. And the quality and quantity of the meal was so much more than we expected. There was so much food that many of us at my table just couldn't eat it all. Everything was scrumptious!

The morning before the wedding, the groom's mother went out to Golden Eagle to check everything out. I got a call from her mid-morning. She couldn't say enough about how beautiful everything looked and what a great decision we had made picking Golden Eagle for our daughter's special day. All night long I heard the same feelings from many of our guests. We have even received a number of notes since the wedding stating the same sentiments.

We did hire Michelle as our wedding planner and she did a wonderful job. She is such a pleasant, caring person and very helpful. Our daughter lives in Tallahassee but we live in Virginia, so we had to make all our plans long distance. Thank goodness for email! Michelle was quick to answer all our questions and resolve any situations that arose; before, during and after the wedding.

To sum it all up: The place is gorgeous (inside & out), the food was delicious and plentiful, the service was impeccable, parking was great, everyone was very helpful and the price was more than reasonable. The morning after the event I asked my daughter if there was anything she would have done differently. She said "absolutely nothing – everything was perfect!" Golden Eagle Country Club and staff were a big part of making her feel that way. Thank you for making her special day SO special. We would HIGHLY recommend Golden Eagle to anyone needing a venue for any event.

Sincerely,

Allen & Diane Taylor

We really appreciate and enjoyed everything about the Retreat. We especially wish to commend you and the entire staff for the exemplary customer service and care shown throughout the entire event. Thomas was always at our service, and the food was excellent! One of our topics was "*WOW the customer!*," and you all were perfect examples. Thanks again for aiding in our success, and we look forward to working with you again in the very near future.

Everything was perfect!! The food was "delicious" (including the hors d'oeuvres-bruschetta was outstanding!). Your staff was incredible. Very accommodating and gave excellent customer service. At times it was a little hectic for me but that is to be expected when you are coordinating the event. So I hope I wasn't a bother to your staff.

Just wanted to drop you a line to say thank you for everything you did to help us with the planning and execution for Jon and Elizabeth's wedding. Actually, thanks is not enough - You were there for us when we needed calmness and handled everything which resulted in a wonderful experience for our entire family and some respite for Kathie and I that we desperately needed. If you ever need a recommendation please feel free to pass our contact information on. Also, kudos' to Matthew and the staff who in your absence on the wedding date ensured everything was perfect; Matthew was the consummate professional even as he had to deal with an unfortunate incident with one of the guest over a rejected credit card (at my urging Kathie and I paid the bill). The staff was also very professional and pleasant during the entire affair. Kudos also to your recommended photographer and DJ who together made the entire evening a pleasant experience for all.

Hope you enjoyed the cookies,

The wedding went wonderfully! I'm sure you heard that there was a short rain delay, but that ended up working out a little better because it cooled things off and it allowed for people who were running late to get there for the ceremony. I wanted to drop you a note about our luncheon on Saturday. We had one glitch with the table arrangement in the rooms but that was taken care of quickly. I had many compliments on the club and the wonderful food. Thank you so much for you and your staff's hard work we really appreciated it. Please read one of the emails I received from an out of town guest that attended on Saturday.

"The luncheon was beautiful yesterday. Driving through that part of Tallahassee and seeing all the beautiful old oak trees with the moss hanging like lace, the winding roads and all that color! The Country Club was in a beautiful setting wedged between two lakes, and every room in the clubhouse we peeked in was breathtaking.

We enjoyed the luncheon getting to know new people, the food was delicious and the dessert was a killer! It was so good; I couldn't believe all those flavors in one bite. The chef and baker are to be commended. The service was impeccable. Our server never left us with an empty glass of delicious fresh ice tea, or placing each course down with ease and grace."

Thank you,
Laura

I just wanted to thank you for helping everything about the rehearsal dinner that you were responsible go perfectly.

Your quick response to questions and requests prior to the event was excellent and gave us a lot of well-deserved confidence in your abilities. The florist you recommended was excellent and reasonably priced. The setup was exactly as promised and looked great! Your attention to requests from the ladies visiting before the event was courteous and timely. The food was outstanding and the service was excellent. Everything about the food and location can be ranked "10" on a scale of 1-10.

I'm very glad that we had the event at the Golden Eagle Golf and Country Club and would gladly recommend your services and location to anyone.

I could not have asked for a more perfect wedding day! Thank you for everything that you did for me. All of the stress and drama that led up to it was worth it. I could have done without it though! Jesse and I had the best time and everything was amazing,

Again, thank you!

Thank you very much for helping the YMCA host a great lunch event for our past chairmen of the board of directors. It was a gorgeous day, showing off the Golden Eagle golf course and country club to its best advantage. The room set up, table arrangement, food and service were all perfect and appreciated.

Thanks for your help. It's good to find out how nice it is to work with Golden Eagle and to attend a group event here.

Sincerely,

Andrea Chapman

Thank you and the superb staff and Golden Eagle. All of the guests had a wonderful time and loved the atmosphere. Thank you for allowing us to set up early. Everyone loved the food and we really appreciated the Chef speaking directly with Ross and I to make sure everything was perfect!

Great job!

All the best,

Brittany and Ross

It's been a few weeks and Rob and I have begun to settle into our new life. I realize that my entire wedding day was a complete blur. But as pictures start to come in and I see how wonderful everything turned out, I realize now even more that I could never have done it without you. Your hard work, as well as your quelling of my unreasonable paranoia was absolutely invaluable.

Thank you so much for helping to make my special day as wonderful and memorable as it could be.

Thank you again for all your help. Everyone involved was completely complimentary of their dealings with you and all the rest of the Golden Eagle staff.

Your hard work did not go unappreciated...

Sincerely,

Leah Steele

This may seem like an odd letter to be receiving, but I have been talking to two friends whose daughters have gotten married this year, one here in Atlanta and the other in Chicago. We went to the one in Chicago....and while it was a much larger affair than ours (300) the reception was held in, what I was told, was a very exclusive club. The room, while being VERY large, had no atmosphere and the affair was very poorly managed.

I think back to Katy's wedding and how beautiful the Golden Eagle Country Club looked, how wonderful everything was timed (at this last wedding no one even noticed the couple have their dance because it was while everyone was visiting after dinner and it was never announced) and I think back to how you had the father-daughter dance as one of the first things and what a highlight what was with the song, and you had the couples dance early, another highlight, and they both were 'announced.' I, also, remember how you made the reception so easy for me by taking care of every detail. And the food!!!! I was able to make a direct comparison with this Chicago wedding since they had the same menu...the filet and salmon....neither of which had any flavor and were not served with those delicious mashed potatoes and vegetables. We received so many compliments on the food. In fact, we received so many compliments on the entire affair...the food, how pretty the reception room looked, and the gorgeous outdoor setting. Many, many people have told us it was one of the most beautiful weddings because of the uniqueness of the setting.

YOU and your staff and the Golden Eagle Country Club met and exceeded everything we were hoping for. I just wanted to tell you, again, how lovely everything was and how very pleased we were.

Michelle, thank you and the Golden Eagle for making such a special day even more memorable.

Sincerely,

I just wanted to let you know how pleased we were with the wedding and reception. Everything went off without a hitch and we were thrilled for that. If something went wrong, we sure didn't have a clue. We can't thank you enough for all you did for us during this whole process. You made it so the preparation wasn't as stressful as I thought it would be.

You run a very professional operation and we know that it wouldn't have gone off that way without your help. You were very gracious to everyone involved and you definitely know exactly what needs to be done and not done. Everyone at Golden Eagle was so courteous and professional and the girls working the tables were exceptional as well. No one ever had to ask for anything and they were always there if you did need something. You can be certain that you and Golden Eagle will be highly recommended by us to anyone who is planning a wedding.

Thanks again for everything.

THANK YOU!

Dear Michelle,

On behalf of Alpha Phi Sigma at Florida State University, I wanted to personally thank you for coordinating our banquet. The food was excellent, the room was set very nicely and the staff were awesome. The members were very impressed and everyone had a great time. This is definitely the best banquet that Alpha Phi Sigma has ever put together since I have been a member. Thank you for making this experience so wonderful for our organization.

Sincerely,

The post-Founders Day avalanche of admin requirements has been heavy but I couldn't let another day slip away without first saying what a wonderful time our society had a Golden Eagle last Friday!

From inception to completion it was a pleasure. You and your staff were there to accommodate us at every turn, in every circumstance. Tables were beautiful, the setting gorgeous, the atmosphere exactly what we had all hoped.

Please pass my compliments as well to Matt and the crew who staffed the event. Comments I've heard have been universally positive. Compliments as well to the chef and kitchen crew – the food was excellent!

I wish you every success in the interim.....and look forward to doing more business together in the future.
