

Par -Tee Nine Hole Ladies Golf

The Par-Tee golf group is off to a fast start this year. During the year, we play nine holes each Wednesday. This year, we had our first game on January 7th. Eleven of us teed off and our winners had outstanding games. Judie Frank and KC McWilliams tied with gross scores of 54 and Esther Cummings won low net with a 37. Great games, ladies!

We also conducted our organizational meeting of officers and committee chairs on January 7th. During the meeting, we proposed conducting the following events:

First tournament and social on April 15th. This will be our annual White Elephant event, which is organized by Esther Cummings. After our tournament, we have lunch outside on the veranda where we use play money - won during the tournament - to buy all sorts of items donated by our members. Even though these are items that we generally don't need and can't use, we have great fun outbidding one another with our play money.

Our second tournament and social, which will be around July 4th. We will have a flag tournament organized by last year's co-president, Susan York. For this tournament, we are each given an American Flag that we place in the in the ground when we have taken the number of strokes allowed by our handicaps. For this tournament, we want to place our flag last or finish the event with our flag in hand. Our social chair, Joan Tolliver, will organize the social conducted in conjunction with this tournament.

An additional tournament and social in the fall.

The annual President's luncheon, when we distribute awards and swear in new officers, on Wednesday, December 2.

Our annual Christmas party on Friday, December 11.

We look forward to another fun year! Please consider joining us. We love getting new members!

Helena Sims

Par-Tee President
